

Low Cost Bolt Action Rifle

2/10/97

Project Description:

A low cost bolt action rifle accommodating short and long action calibers; standard barrel lengths; synthetic and wood stocks; magazine box, reasonable grade trigger (not the M/700 fire control); accepts scope bases; optional adjustable sights; and matte metal finish.

Project Objectives:

This firearm is targeted at the Wal-mart and Kmart customer, with a price tag of less than \$200. It will also replace the M/700 ADL Stainless Synthetic as Remingtons' entry level bolt action, while elevating the M/700 as a higher grade firearm.

Project Milestones/Schedule:

ID	Task Name	Duration	Start	1997				1998
